- 8.2 Either party may terminate this Licence at any time on the material or persistent breach by the other of any obligation on its part under this Licence by serving a written notice on the other identifying the nature of the breach. The termination will become effective thirty days after receipt of the written notice unless during the relevant period of thirty (30) days the defaulting party remedies the breach and forthwith sends written notice to the other party that it has remedied the breach. Either party shall also have the right to terminate this Agreement immediately on prior written notice to the other if the other has become insolvent or becomes subject to receivership, liquidation or similar external administration
- 8.3 Upon termination of this Licence by the Publisher due to a material or persistent breach by the Institution, or due to insolvency, receivership, liquidation or similar external administration of the Institution, the Publisher shall cease to authorise all on-line access to the Licensed Material. All rights under this Licence will be automatically terminated, except for such rights of action as will have accrued prior to such termination and any obligation which expressly or impliedly continue in force after such termination.
- 8.4 Upon termination of this Licence by the Institution due to a material or persistent breach by the Publisher, the Publisher will reimburse the Institution a pro rata proportion of the then remaining Fee for the unexpired period of this Licence.

- 9.1 The Institution acknowledges that all Intellectual Property Rights in the Licensed Material are the sole and exclusive property of Publisher or are duly licensed to the Publisher and that this Licence does not assign or transfer to the Institution any right, title or interest therein except for the right to use the Licensed Material in accordance with the terms and conditions of this Licence.

10. REPRESENTATIONS, WARRANTIES AND INDEMNIFICATION

- 10.1 The Institution represents and warrants that it has sufficient authority and rights to enter into and perform its obligations under this Licence.
- 10.2 The Publisher warrants to the Institution that it is entitled to grant the licence in this Licence and that the use of the Licensed Material as contemplated in this Licence will not infringe any Intellectual Property

Rights of any natural or legal person. The Publisher agrees that the Institution shall have no liability and the Publisher will indemnify, defend and hold the Institution harmless against any and all direct damages, liabilities, claims, causes of action, legal fees and costs incurred by the Institution directly in defending against any third party claim of intellectual property rights infringements or threats of claims thereof with respect of the Institution's and/or Authorised Users use of the Licensed Material, provided that: (1) the use of the Licensed Material has been in full compliance with the terms and conditions of this Licence; (2) the Institution provides the Publisher with prompt written notice of any such claim or threat of claim; (3) the Institution co-operates fully with the Publisher in the defence or settlement of such claim; and (4) the Publisher has sole and complete control over the defence or settlement of such claim.

The Publisher will notify the Institution of any substantial change to the Licensed Material.
- 10.4 While the Publisher is not aware of any inaccuracies or defects in the information contained in the Licensed Material, the Publisher makes no representation and gives no warranty express or implied with regard to the information contained in or any part of the Licensed Material including (without limitation) the fitness of such information or part for any purposes whatsoever and the Publisher accepts no liability for loss suffered or incurred by the Institution or Authorised Users as a result of their reliance on the Licensed Material or for any loss suffered or incurred as a result of pages being omitted from the Licensed Material in error.
- 10.5 In no circumstances will the Publisher be liable to the Institution for any loss resulting from a cause over which the Publisher does not have direct reasonable control, including but not limited to failure of electronic or mechanical equipment or communication lines, telephone or other interconnect problems, unauthorised access, theft, or operator errors.
- 10.6 The Institution agrees to notify the Publisher immediately in writing and provide full particulars in the event that it becomes aware of any actual, suspected or threatened claims by any third party in connection with any works contained in the Licensed Material. It is expressly agreed that upon such notification, or if the Publisher becomes aware of such a claim from other sources, the Publisher may remove such work(s) from the Licensed Material. Failure to report knowledge of any actual or threatened claim by any third party shall be deemed a material breach of this Licence. At the request of the Publisher, the Institution will make all reasonable efforts to remove such work(s) from any copies of the Licensed Material maintained by the Institution.
- 10.7 Nothing in this Licence shall make the Institution liable for breach of the terms of this Licence by any Authorised User provided that the Institution did not cause, knowingly assist or condone the continuation of such breach after becoming aware of an actual breach having occurred.
- 10.8 The Institution represents to the Publisher that its computer system through which the Licensed Material will be used is configured, and procedures are in place, to prohibit access to the Licensed Material by any person other than an Authorised User; that it shall inform Authorised Users in writing about the conditions of use of the Licensed Material; and that during the term of this Licence, the Institution will continue to make all reasonable efforts to bar non-permitted access and to convey appropriate use information to its Authorised Users.

11. FORCE MAJEURE

- 11.1 Either party's failure to perform any term or condition of this Licence as a result of circumstances beyond the reasonable control of the relevant party (including without limitation, war, strikes, flood, governmental restrictions, and power, telecommunications or Internet failures or damages to or destruction of any network facilities) ["Force Majeure"] shall not be deemed to be, or to give rise to, a

breach of this Licence.

- 11.2 If either party to this Licence is prevented or delayed in the performance of any of its obligations under this Licence by Force Majeure and if such party gives written notice thereof to the other party specifying the matters constituting Force Majeure together with such evidence as it reasonably can give and specifying the period for which it is estimated that such prevention or delay will continue, then the party in question shall be excused the performance or the punctual performance as the case may be as from the date of such notice for so long as such cause of prevention or delay shall continue.

12. ASSIGNMENT

- 12.1 Except as permitted for under this Licence, neither this Licence nor any of the rights under it may be assigned or sub-licensed by either party without obtaining the prior written consent of the other party. In any permitted assignment, the assignor shall procure and ensure that the assignee shall assume all rights and obligations of the assignor under this Licence and agrees to be bound to all the terms of this Licence.

13. GOVERNING LAW AND DISPUTE RESOLUTION

- 13.1 This Licence shall be governed by and construed in accordance with English law and the parties irrevocably agree that any dispute arising out of or in connection with this Licence will be subject to and within the exclusive jurisdiction of the English courts.
- 13.2 The parties agree to use best efforts to resolve disputes in an informal manner, by decision of the Chief Executive of the Publisher and the current Vice Chancellor of the Institution. Where the parties agree that a dispute arising out of or in connection with this Licence would best be resolved by the decision of an expert, they will agree upon the nature of the expert required and together appoint a suitable expert by agreement.
- 13.3 Any person to whom a reference is made under Clause 13.2 shall act as expert and not as an arbitrator and his decision (which shall be given by him in writing and shall state the reasons for his decision) shall be final and binding on the parties except in the case of manifest error or fraud.
- 13.4 Each party shall provide the expert with such information and documentation as he may reasonably require for the purposes of his decision.
- 13.5 The costs of the expert shall be borne by the parties in such proportions as the expert may determine to be fair and reasonable in all circumstances or, if no determination is made by the expert, by the parties in equal proportions.

15. GENERAL

- 15.1 This Licence, its Schedules and Annexes constitute the entire agreement between the parties relating to the Licensed Material and supersede all prior communications, understandings and agreements (whether written or oral) relating to its subject matter and may not be amended or modified except by agreement of both parties in writing.
- 15.2 The Schedules and Annexes shall have the same force and effect as if expressly set in the body of this Licence and any reference to this Licence shall include the Schedules and Annexes.

- 15.4 The invalidity or unenforceability of any provision of this Licence shall not affect the continuation in force of the remainder of this Licence.
- 15.5 The rights of the parties arising under this Licence shall not be waived except in writing. Any waiver of any of a party's rights under this Licence or of any breach of this Licence by the other party shall not be construed as a waiver of any other rights or of any other or further breach. Failure by either party to exercise or enforce any rights conferred upon it by this Licence shall not be deemed to be a waiver of any such rights or operate so as to bar the exercise or enforcement thereof at any subsequent time or times.
- 15.6 The parties will comply with all applicable laws and regulations relating to anti-corruption and anti-bribery, including, but not limited to, the Bribery Act 2010. The parties represent and affirm that, to the best of their knowledge and belief, no bribes or corrupt actions have or will be offered, given, received or performed in relation to the procurement or performance of this Licence by that party and the parties will have adequate procedures in place to preclude their employees, agents and representatives from so doing. For the purposes of this clause, "bribes or corrupt actions" means any payment, gift, or gratuity, whether in cash or kind, intended to obtain or retain an advantage, or any other action deemed to be corrupt under the applicable country laws. The Institution will not, directly or indirectly, make any such payment while this Licence is in effect or after it is terminated.
